## Spinnaker

228 Tierra

Ref. 19766

Nautica. This collection of outdoor fabrics is inspired by the classic marine look. It has an inviting colour palette with different shades of cream, navy blue and brown. 100% Tempotest (the fabric is guaranteed 6 years against colour fading). Outdoor solution dyed acrylic fibres with the Teflon finishing treatment; these fabrics are mould resistant, water and oil repellent and easy to clean.
