Kasandra

0735 Unico

Ref. 21110

Kasandra fabric is the perfect blend of classic and contemporary design. Engraves and paintings of flowers are combined with new style graphic small motives, simulating the velvet-like texture of petals while reflecting the solid black color of the background. The flowers and vase are presented in a "triangle structure", evoking traditional damasks and adding a sense of dimension and harmony. In the Sarabande collection designed by Pappenpop for Equipo DRT. These 300 cm wide printed fabrics are fire retardant and acoustic. Therefore they can be used both for homes and for contract and collective spaces.
