## Linen can be worked in many ways, but

Bomarzo

001 Blanco

Ref. 21902

when you opt for a Jacquard design, the result does not leave you indifferent. This is the case of Bomarzo, the reinvented Alboran damask design made into a spectacular linen fabric for curtains. A 100% linen fabric, in natural white and greige, in which the effect of light reflects the fabric with more or less evidence.
