Studio Box

880 Multicolor

Ref. Studio Box

Studio Box, an explosion of textiles possibilities for your interior design projects. A new innovative tool for interior design and architectural studios. Open the box! Open it up and choose the designs that best suit your project. Try different colour and texture combinations and if you do not find what you are looking for, please contact us. In Equipo DRT, we advice you on the textile solution that meets the needs of your project: sheers, prints, upholstery, outdoor, wallpaper, contract textiles (Class 1)..., the whole collection at your service'
