

Forest

City Inspire

Colours : 3

000 Natur

Contemporary fabric for curtains in which we can guess a sinuous bamboo forest through its transparencies. Behind every bamboo stalk, we can observe a spike design incorporated as fine detail. The subtle fil coupé stands out the sense of nature and movement which Forest transmits.

Meters by roll : 0

Composition : 52% Visc.
48% Pol.

Width : 320 cm.
